

## **FISCAL NOTE**

### **SB 468 - HB 567**

March 12, 2007

**SUMMARY OF BILL:** Authorizes class size limits to be exceeded for JROTC classes as well as areas such as typewriting, instrumental and vocal music classes; provided that the effectiveness of the instructional program in these areas is not impaired. Revises present law authorizing substitute credit earned in JROTC for Lifetime Wellness instead of physical education.

### **ESTIMATED FISCAL IMPACT:**

#### **Decrease Local Govt. Expenditures – Not Significant**

Assumption:

- Students must currently take two years of JROTC to count as one year of Lifetime Wellness. If this bill allows a one-to-one substitution, there could be a shift of students from Lifetime Wellness class to JROTC class. This change could allow more students to be served by the same program without an additional instructor; thereby, resulting in a decrease in local government expenditures. However, such decrease is estimated to be not significant.
